Introduction and the Importance of Data

Introduction

This school performance profile pack has been produced to help headteachers, staff and governors review the performance of their school in end of key stage tests.

On the next page there are a set of questions to use when considering the reports. They provide an analysis of the school's results relative to national data and trends over recent years. They also provide comparisons with the LA itself, families of similar schools and schools in your District.

The Significance of Data

The use of performance data in schools has increased both in volume and importance over recent years.

The purpose of any reports like these that provide information about pupil performance is not to provide definitive answers but to raise questions, and focus discussion. In some instances, e.g. where pupil numbers are small, the data may not be particularly reliable and should be treated with caution.

New Sponsored Academies

No trend data is available for new sponsored academies due to the change in status of the schools concerned.

Key Questions To Be Asked

School Key Stage 1 Profile Narratives

1. KS1 Current Year Performance

For Reading, Writing, Maths and Science the % achievement of pupils at your school is compared with that of all pupils in the LA and nationally, at level 2+, 2B+ and 3+ and Average Points.

Key Questions

- * How does the achievement of pupils in our school compare with the local and national achievements?
- * Are there any differences between the subjects?

2. KS1 Trend Performance

For Reading, Writing, Maths and Science the % achievement of the pupils at your school is shown over the last 5 years and compared with that of the performances in the LA and Nationally at Level 2+, 2B+ and 3+.

Key Questions

- * Is the achievement of our pupils, rising, falling or remaining level over the five years? Why is that?
- * How does the school's "trend" compare with the "trend" of the LA and Nationally?

3. KS1 Average Points Trend Performance

For Reading, Writing, Maths and Science the Average Points achievement of the pupils at your school is shown over the last 5 years and compared with that of the performances in the LA and Nationally.

Key Questions

- * Is the achievement of our pupils, rising, falling or remaining level over the five years? Why is that?
- * How does the school's "trend" compare with the "trend" of the LA and Nationally?

4. School KS1 Performance Comparison - Similar Schools

This report compares your school's performance, in each Subject at Level 2+, 2B+ and 3+ to the average of schools with similar characteristics - based on Year 2 FSM %; Year 2 SEN % in groups of 5% and 10% respectively and schools in your district.

Key Questions

- * How does your school's performance compare with that of these groups of similar schools?
- * Are any subjects in which your school does particularly well / less well? Why is that?

5a-d. KS1 District Schools Comparison

This series of reports compares your school's performance, in each Subject at Level 2+, 2B+ and 3+ to that of schools in your district.

Key Questions

- * How does our school's performance compare with that of our schools within our district?
- * Are there any subjects in which our school does particularly well / less well? Why is that?

Key Questions To Be Asked

6. KS1 Gender Comparison

This report compares the performances of the boys and girls for your school, for the LA and Nationally in Reading, Writing, Maths and Science at Level 2+, 2B+ and 3+. It shows where boys are performing better than girls or vice versa. National data is for 2013 on this page only.

Key Questions

- * In which subjects do the boys out-perform the girls, and in which subjects do the girls out-perform the boys?
- * What are the reasons for this? Are they significant?

7. KS1 Vulnerable Groups

This report looks at the performance of vulnerable groups, including gender, FSM eligibility, SEN status, EAL and CIC in Reading, Writing, Maths and Science below Level 2 and Level 2 or above.

Key Questions

- * Are there any particular groups where % obtaining Level 2+ is significantly below what you would expect?
- * In which subjects are there significant differences in attainment within / between the groups?
- * What are the reasons for this? Are they significant?

8. KS1 Level Analysis

This report gives you a break down of the numbers of pupils and the percentages achieving each level in Reading, Writing, Maths and Science.

Key Questions

- * What are the proportion of pupils that are performing at either the lower levels, below the national expectations or at the higher levels above the national expectations? Are either of these proportions significant?
- * Are there any subjects where the levels of performance are very different from one another? Why is that?

9. Static and Context Data

This report gives you the background data about your school - split between Static and Context Data.

10. Schools Phonics Performance

This report gives you a break down of the numbers of pupils and the percentages achieving the pass mark in Year 1 Phonics, and Y2 Phonics retakes.

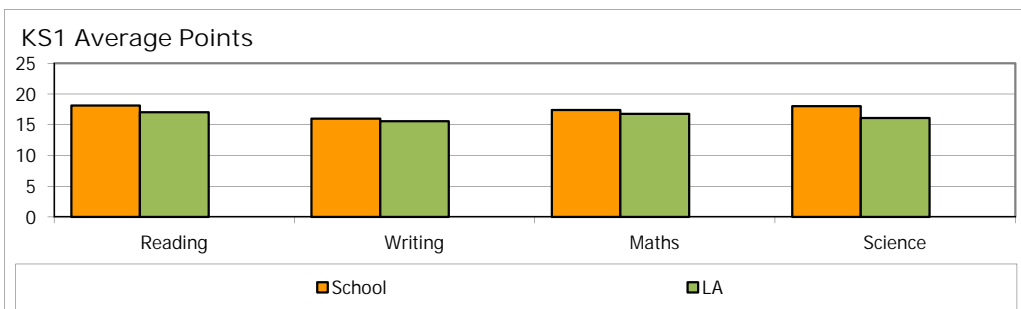

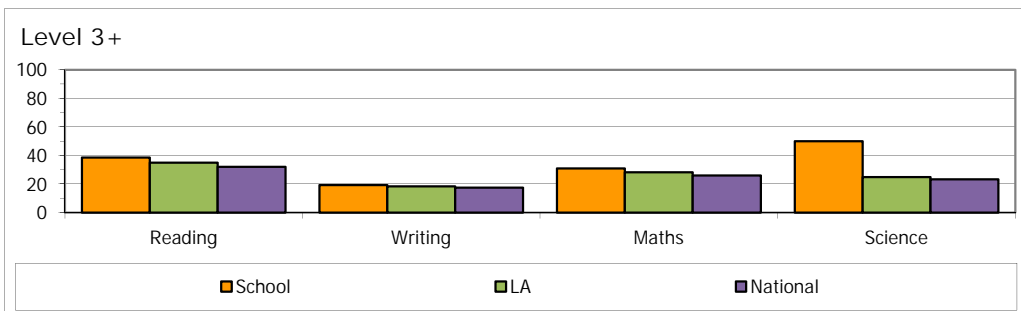

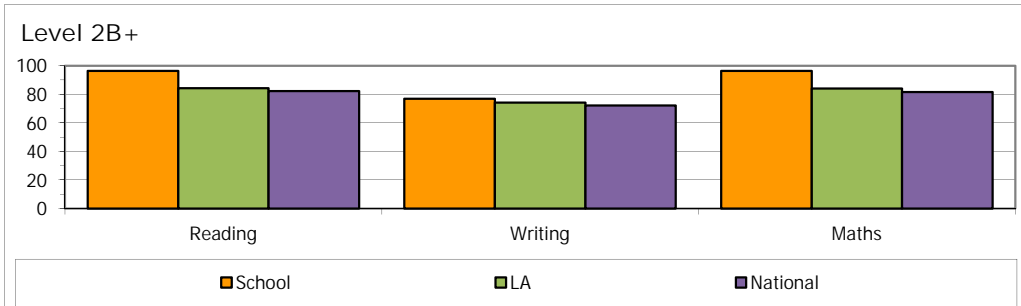

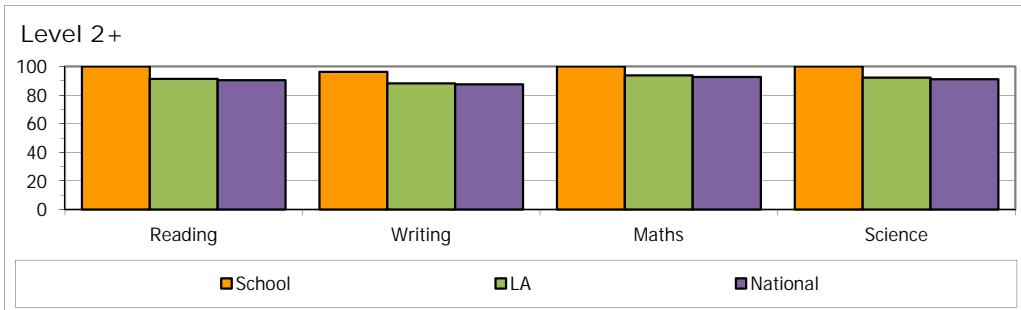

Key Questions

- * How does the proportion of pupils achieving the pass mark in your compare with attainment at LA and National level?
- * Are there significant differences in attainment between boys and girls?
