Challenge – Can you RESCUE the words from each list?

Read it – Write the word

Explore it – find the dictionary definition

Spell it – break up into symbols of different colours

Check it – write it out three times in your neatest handwriting

Understand it – Look in a thesaurus for words that mean the same (synonyms)

Explain it in context – write a sentence with the word in it.

Extra activity – can you come up with a mnemonic to help you remember any of your words (the funnier the better!)
